The Northern Palm Beach County Chamber of Commerce named Quantum House at St. Mary's Medical Center in West Palm Beach as the official beneficiary of the ArtiGras Patron Society.

Quantum House is a home where families can stay when their children are receiving treatment in Palm Beach County for a serious medical condition.

"This partnership allows Quantum House to continue to care for families during a very critical time in their lives — when their child is ill or injured. We are overwhelmed by the generosity of the ArtiGras Patron Society and the entire festival," said Robi Journey, the executive director of Quantum House.

ArtiGras Patron Society memberships are available for as low as

\$100 for a single, \$150 for a double and \$300 for a family.

In addition to being recognized in the ArtiGras Official Program, ArtiGras Patron Society members also enjoy VIP festival access and parking the entire weekend, VIP keepsake credentials, access to the VIP tent, a complimentary 2012 ArtiGras commemorative poster and invitations to special ArtiGras events, including Red, White & Zin.

As a special bonus, an original one-of-a-kind work of art by Homegrown Artist Devin Howell also also be included with each membership.

ArtiGras Patron Society memberships are available online at www.artigras.org or by calling the Northern Palm Beach County Chamber of Commerce at 561-748-3946.
